

# The Great Park Pursuit

## Home-Made Binoculars!

Grab you binoculars and go... These home-made binoculars are a great way to look for birds, wildlife, or really, anything! Be sure to bring them along as your head out on the Great Park Pursuit!

Materials Needed:

- 2 toilet paper rolls
- stapler & staples
- markers, stickers, or crayons
- paper punch
- string
- scissors

Step #1:

Hold the two paper towel rolls together lengthwise. Staple the two rolls together. Flip the rolls over, and staple them together again at the other end.

Step #2:

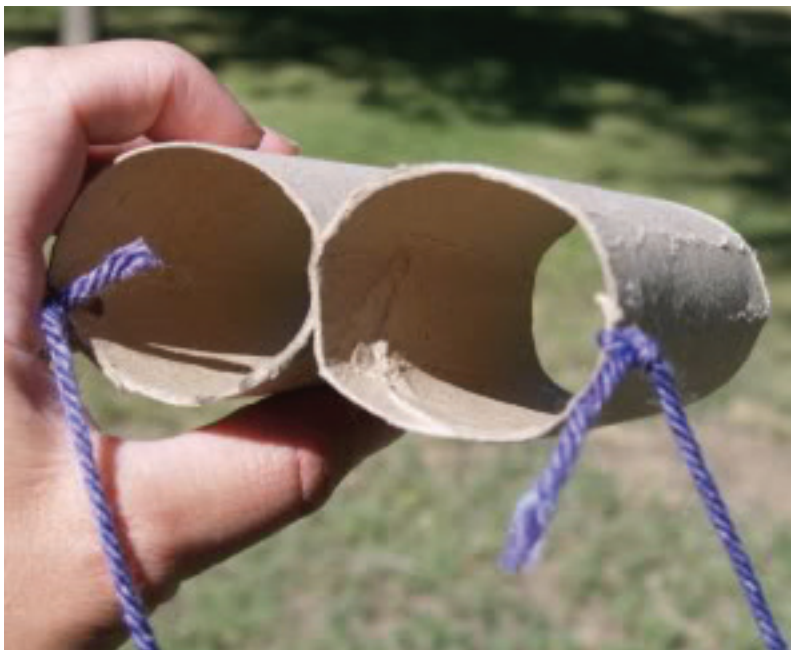

Use markers, crayons or stickers to decorate your new binoculars. Have fun with this!

Step #3:

On the outside of the top of each roll, use the paper punch to punch one hole on each side.

Step #4:

Cut a piece of string approximately 30". Tie each end of the string through the hole.

Step #5:

Take your new binoculars outside and begin looking... Have Fun!
