

Firth Village Park

park information: The Firth Park was originally part of a "courthouse square" that was set aside to be the county seat of "old Clay County." However, in 1863 politicians in Lancaster and Gage counties, taking advantage of the lack of organization, split Clay County between them, each taking half and doing away with Clay County altogether. The Village of Firth was platted in 1872 and incorporated on January 20, 1879. The original "courthouse square" became the Village park.

Today the park boasts a nice playground, two park shelters with charcoal grills, a gazebo, lots of shade, a new basketball court, and an awesome splash pad constructed in 2016. Bring a picnic lunch and spend the afternoon at the park!

The park is open during daylight hours (no fee to visit). The splash pad will be operational from Memorial Day weekend through Labor Day weekend Monday through Saturday from 11 a.m. to 7 p.m. and Sundays 1 p.m. to 7 p.m.
