

# Fort Robinson State Park

park information: Nebraska's largest and most historic park, Fort Robinson was an active military post from 1874 to 1948. Crazy Horse, Walter Reed, Red Cloud, Arthur MacArthur, Dull Knife, General Crook and Doc Middleton are but a few of the colorful characters who played significant parts in carving Fort Robinson's place in western lore.

At present Fort Robinson features lodging, camping and equestrian facilities. Families come from all over the United States to experience the western flavor Fort Robinson has to offer. While visiting Fort Robinson guests may swim in the Olympic-size pool, fish, hunt, hike, take a trail ride into the infamous Red Cloud Buttes, tour the Fort on a horse drawn guided tour, tube or kayak down the White River or ride a jeep into the Cheyenne Outbreak Buttes.
